"Small Steps at Home, Big Changes in Life"

What Is the Home Program?

Aaryavart's Home Program is a **structured, therapist-designed plan** that empowers parents to work with their child at home using simple, practical, and effective techniques — bridging the gap between therapy sessions and daily life for continuous learning and faster progress.

Detailed Child Profile

Created after thorough assessment — guides the entire program.

Profile-Guided Plan

Child profile forms the foundation of all activities.

Saraya App Access

Parents receive app access for routine building and tracking.

Routine Building

Daily routines shared and managed through the Saraya App.

A Multi-Domain Approach

A comprehensive plan covering every critical area of your child's development:

Speech & Communication

Building expressive and receptive language skills.

Attention & Cognition

Strengthening focus, memory, and problem-solving.

Behavior & Emotions

Behavior management and emotional regulation strategies.

ADL & Independence

Activities of daily living and functional independence skills.

Play & Sensory

Sensory integration and functional play activities.

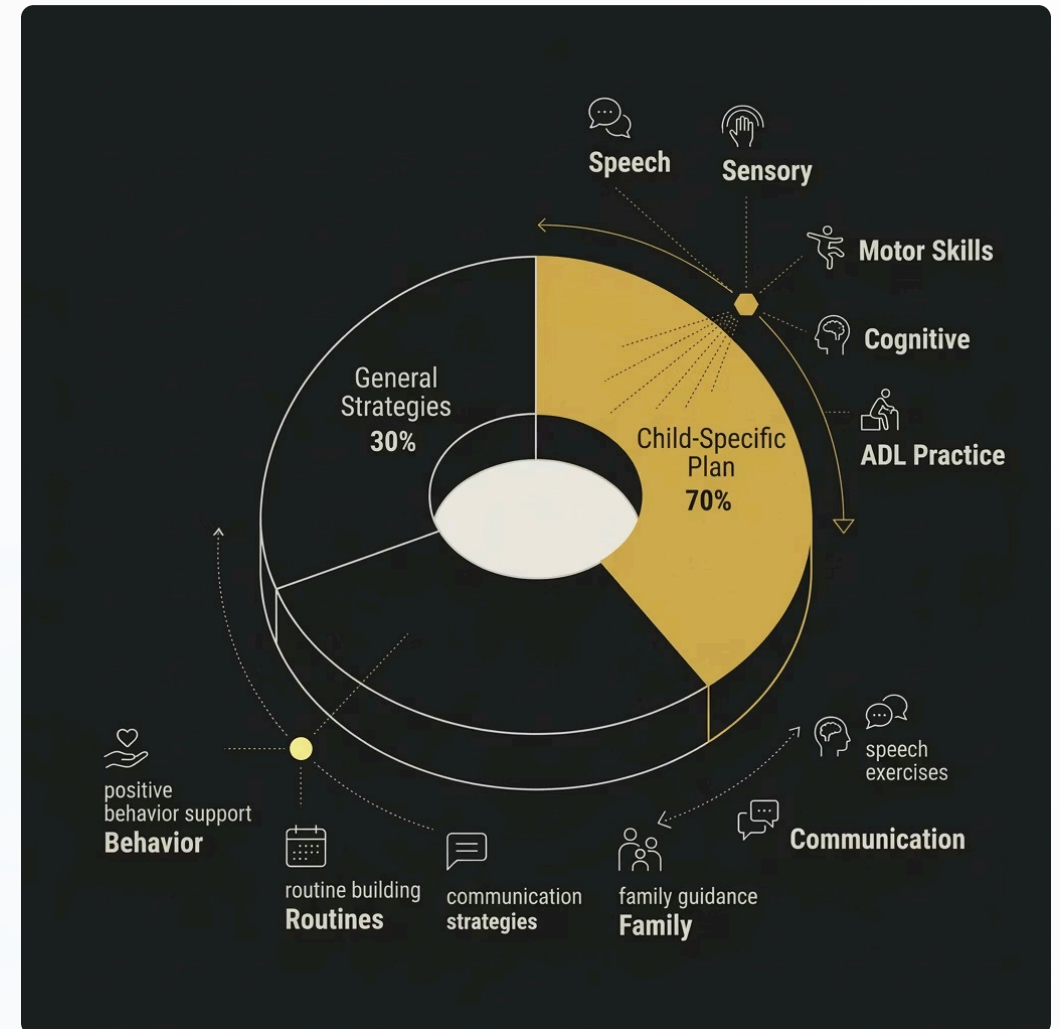

Parent Training

Guidance and coaching for confident home implementation.

Personalized at Every Step

Every child is unique. Our program adapts to **your child's own rhythm** — never rushed, never stagnant. Progress is measured against **your child** — not against others.

Designed for Child's Level

Activities start exactly where your child is.

Step-by-Step Progression

Gradual milestones that build on each success.

Flexible Pace

Adjusted to prevent overload or burnout.

The Saraya App

The **Saraya App** puts your child's entire program in your pocket — track, learn, and grow from anywhere.
